

# STANDARD FOOD BOTTLE

| TG.982A                   | 150 ml                |
|---------------------------|-----------------------|
| Glass Color               | Amber                 |
| Finish Type/Diameter (mm) | 28 mm ROPP (GRP-0106) |
| Fill Point Capacity (ml)  | 153.0 ± 3.0           |
| Diameter (mm)             | 50.8 ± 0.8            |
| Height (mm)               | 138.6 ± 1.2           |
| Glass Weight (gm)         | 140                   |
| Packing (units/pallet)    | 5,850                 |

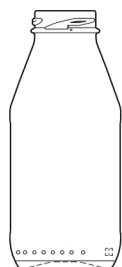

| TG.924                    | 200 ml                      |
|---------------------------|-----------------------------|
| Glass Color               | Flint                       |
| Finish Type/Diameter (mm) | 30 mm MTO Twist-off Special |
| Fill Point Capacity (ml)  | 200.0 ± 4.0                 |
| Diameter (mm)             | 51.55 ± 0.8                 |
| Height (mm)               | 176.0 ± 1.2                 |
| Glass Weight (gm)         | 145                         |
| Packing (units/pallet)    | 4,784                       |

| TG.957                    | 250 ml                 |
|---------------------------|------------------------|
| Glass Color               | Flint                  |
| Finish Type/Diameter (mm) | 28 mm STD ROPP GF.304B |
| Fill Point Capacity (ml)  | 255 ± 5.0              |
| Diameter (mm)             | 57.0 ± 1.2             |
| Height (mm)               | 181.0 ± 1.2            |
| Glass Weight (gm)         | 190                    |
| Packing (units/pallet)    | 3,936                  |

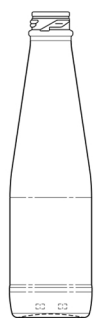

| TG.961                    | 250 ml                      |
|---------------------------|-----------------------------|
| Glass Color               | Flint                       |
| Finish Type/Diameter (mm) | 30 mm MTO Twist-off Special |
| Fill Point Capacity (ml)  | 254.4 ± 4.4                 |
| Diameter (mm)             | 56.0 ± 1.2                  |
| Height (mm)               | 198.0 ± 1.2                 |
| Glass Weight (gm)         | 200                         |
| Packing (units/pallet)    | 3,204                       |

| TG.381                    | 280 ml                       |
|---------------------------|------------------------------|
| Glass Color               | Flint                        |
| Finish Type/Diameter (mm) | 38 mm Shadow3Lug (GTW-14214) |
| Fill Point Capacity (ml)  | 280.0 ± 5.6                  |
| Diameter (mm)             | 63.0 ± 1.2                   |
| Height (mm)               | 146.5 ± 1.2                  |
| Glass Weight (gm)         | 160                          |
| Packing (units/carton)    | 70                           |
| Packing (units/pallet)    | 4,279                        |

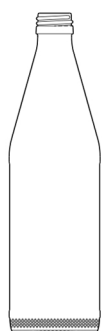

| TG.357                    | 300 ml                |
|---------------------------|-----------------------|
| Glass Color               | Flint                 |
| Finish Type/Diameter (mm) | 28 mm ROPP (GRP-0106) |
| Fill Point Capacity (ml)  | 306.0 ± 6.0           |
| Diameter (mm)             | 68.0 ± 1.4            |
| Height (mm)               | 180.0 ± 1.4           |
| Glass Weight (gm)         | 205                   |
| Packing (units/pallet)    | 2,720                 |

| TG.925                    | 300 ml                      |
|---------------------------|-----------------------------|
| Glass Color               | Flint                       |
| Finish Type/Diameter (mm) | 30 mm MTO Twist-off Special |
| Fill Point Capacity (ml)  | 300.0 ± 5.3                 |
| Diameter (mm)             | 57.95 ± 1.2                 |
| Height (mm)               | 214.8 ± 1.2                 |
| Glass Weight (gm)         | 195                         |
| Packing (units/pallet)    | 3,220                       |

| TG.728A                   | 330 ml                          |
|---------------------------|---------------------------------|
| Glass Color               | Amber                           |
| Finish Type/Diameter (mm) | 26/655 mm Crown Seal (GCS-0446) |
| Fill Point Capacity (ml)  | 336.5 ± 6.5                     |
| Diameter (mm)             | 61.3 ± 1.2                      |
| Height (mm)               | 227.0 ± 1.5                     |
| Glass Weight (gm)         | 245                             |
| Packing (units/pallet)    | 2,508                           |

| TG.955                    | 500 ml                |
|---------------------------|-----------------------|
| Glass Color               | Flint                 |
| Finish Type/Diameter (mm) | 28 mm ROPP (GRP-0106) |
| Fill Point Capacity (ml)  | 495 ± 5.0             |
| Diameter (mm)             | 68 ± 1.6              |
| Height (mm)               | 239.0 ± 1.6           |
| Glass Weight (gm)         | 310                   |
| Packing (units/pallet)    | 2,040                 |

| TG.958A                   | 630 ml               |
|---------------------------|----------------------|
| Glass Color               | Amber                |
| Finish Type/Diameter (mm) | 26 mm Crown Seal DIN |
| Fill Point Capacity (ml)  | 630 ± 4.0            |
| Diameter (mm)             | 74.5 ± 1.5           |
| Height (mm)               | 265 ± 1.7            |
| Glass Weight (gm)         | 385                  |
| Packing (units/pallet)    | 1,953                |
